Agreement Documents: This Purchase Order (PO), any attachments made a part of this PO, and any documents or clauses incorporated by reference into this PO are the sole and exclusive agreement of buyer (Buyer or Kyndryl) and supplier (Supplier) for the products and/or services in this PO, and no other document, including the Supplier's proposal, quotation or acknowledgment form, will be part of this PO, unless specifically agreed to in writing by Buyer. Terms contained in the Supplier's response to, or acknowledgment or acceptance of, this PO, if any, that are additional to, or different from, the terms set forth herein (which terms would constitute a counter-offer by Supplier) are specifically rejected by Buyer. Buyer's offer to purchase as provided in this PO may not be modified by Supplier counter-offers. Notwithstanding the foregoing, if this PO is deemed an acceptance by Buyer of a Supplier offer or counter-offer, then such acceptance is expressly made conditional on Supplier's assent to all of the terms of this PO, including those that are additional to, or different from, the terms of Supplier's offer or counter-offer. The terms and conditions of this PO are subject to change without notice.

If Buyer provides a direct pay certificate, certification of an exemption from tax, or reduced rate of tax imposed by an applicable taxing authority, then Supplier agrees not to invoice, nor pay, any such tax unless and until the applicable taxing authority assesses such tax, at which time Supplier shall invoice and Buyer agrees to pay any such tax that is legally owed. Buyer shall withhold taxes as required under applicable law on payments made to Supplier hereunder and shall be required to remit to Supplier only the net proceeds thereof.

Terms of payment and acceptance: Unless otherwise mandated by local law, the terms of payment are net 30 days after receipt of Supplier's valid invoice or after receipt of the products and/or services, whichever is later. Payment will not be deemed acceptance of products or services, and such products or services will be subject to inspection, test, acceptance or rejection. At Buyer's option, Buyer may reject products and/or services that do not comply with Buyer's acceptance criteria for a refund, or require Supplier

to repair or replace such products or re-perform such services without charge and in a timely manner. Buyer may return non-conforming products to Supplier at Supplier's expense.
